**REQUEST FOR RECONSIDERATION OF
INFORMATION DISCLOSURE STATEMENT**

Sir:

In response to the communication mailed November 4, 2009, Applicant respectfully requests reconsideration of the Information Disclosure Statement filed on September 12, 2005. More specifically, Applicant notes that citations for two of the non-patent documents failed to provide a proper date but that a date was included on the copy of the reference provided therewith. The improper citation was caused by a clerical error by the Applicant. Applicant spoke with the Examiner via telephone on December 16, 2009 to discuss this issue. During the conversation, the Examiner suggested that the Applicant file this request and that the Examiner would be able to reconsider the submission of these two references. Enclosed herewith is the PTO-1449

form with corrected citations, along with copies of the two references, for reconsideration by the Examiner. Applicant requests that these references be considered and made of record in this application. Applicant further notes that reconsideration of JP 2003-529978 is not requested nor required in view of the Examiner's consideration given to counterpart WO 2001/054337.

Applicant believes no fees are due with this filing. However, if any fees are due with this Request, Applicant authorizes that the appropriate charges be drawn on Deposit Account No. 08-0750.

Favorable consideration of this request is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, he is invited to telephone the undersigned at (248) 641-1230.

Respectfully submitted,

Dated: December 17, 2009
